Opis produktu

Complete Engine Gasket Set

- Winderosa's wide range of high-tech materials provides unmatched reliability and performance for the demanding needs of today's power plants
- Fit most current and many non-current engines, including Sachs, JLO, Hirth, CCW, Kohler and Xenoah
- Designed to replace OEM gaskets exactly
- Many kits now include coated stainless steel head gaskets
- High-performance oil seals have a high-chromium-content stainless steel alloy spring for maximum performance and corrosion resistance
- Order only what you need for specific maintenance projects
- Available as complete sets or full top end sets
- Include all head, base, intake, exhaust gaskets and O-rings or oil seals, plus crankshaft end seals and power valve gaskets
- Made in the U.S.A.
- The most complete gasket sets available
- Sets contain ALL gaskets necessary for professional engine rebuilding, including high-performance oil seals
